(Filed January 9, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING  
PROVIDING OPPORTUNITY TO COMMENT  
ON DATA RESPONSE**

On March 16, 2003, the attached data response was provided by the California Department of Water Resources (DWR) regarding the effects of excluding versus including the 80 MW of U.S. Navy load for purposes of applying the Direct Access Cost Responsibility DWR Surcharge applicable to San Diego Gas & Electric Company (SDG&E). By this ruling, parties are provided the opportunity to comment on this data response to the extent they believe it may have a bearing on the disposition of SDG&E's Petition to Modify Decision (D.) 02-11-022 as to the treatment of the 80 MW of Navy Load for purposes of DA CRS billing. A draft decision on SDG&E's Petition to Modify was previously mailed to parties on January 28, 2003. A revised draft decision was mailed to parties on March 3, 2003. Comments have already been filed on each of these versions. The additional comments solicited by this ruling shall be limited solely to the implications of the DWR data response as it relates to the disposition of SDG&E's Petition to Modify.

**IT IS RULED** that:

1. Parties are hereby provided the opportunity to comment on the attached data response provided by Department of Water Resources as it relates to the Commission's disposition of the San Diego Gas & Electric Company Petition to Modify D.02-11-022 regarding the treatment of the 80 MW of U.S. Navy Load for DA CRS billing purposes.

2. Opening comments on this issue shall be due on April 1, 2003, and reply comments on April 7, 2003.
